ILL/ILC seeing an uptake in users, getting close to our regular pre-COVID-19 numbers.

DVDs are down due to patrons being limited to 1 per patron per day, down from 3 per patron.

Computer use (Internet) continues to be down; however, there are several factors that account for this: we have removed half of the public computers (from 6 to 3) and we have limited the amount of time per patron on the computer. In the past, we would let patrons use the computer for however long they wanted as long as there was no one waiting. We would then count those users who spent multiple hours on the computer several times on our log sheet (e.g., someone using the computer from 11:30am to 8pm would be counted as 4 computer users). Now that computer use is limited to 30 minutes, many of our regular computer users no longer come in to the library.
